

HAAA Snow Plowing Contract Bid Specifications Winter 2018/2019 Season

Bidder must be an independent contractor and able to provide proof of insurance.

Scope of work: Clear both east and west entrances of the park back to the Community Center. Clear Community Center parking lot and sidewalks. Apply ice melt as necessary in pedestrian areas. Check and clear snow away from Community Center emergency exits such that exit doors can be opened without interference of snow. Clear a path back to HAAA barn and the staging area for the snowmobile club.

Contractor will coordinate plowing to coincide with all Community Center scheduled events and rentals using the online Community Center calendar and communicating with HAAA Board of directors or its designee.

Contractor will provide the HAAA Board of directors or its designee the time and dates of the work in the manner specified by the board.

Bid must be submitted by November 1st 2018
