

Santa Claus IS COMING TO TOWN

Hoagland Children's Christmas Party

Santa and Mrs. Claus are coming to Hoagland to talk to all the boys and girls. They will be in at the Hoagland Community Center at 6:30 PM on Friday, December 6th. Santa's Elves will be doing lots of activities throughout the night (coloring contest, guessing games, crafts, and lots more).

Word around the hot chocolate maker is that Santa might bring toys with him for all the boys and girls. The HAAA board has been really good this year, so Santa is bringing his Chefs Elves with him to cook dinner. His elves will be making hot dogs, sloppy joes, and mac n' cheese. Santa's bakers have been hard at work making cookies, candies, and treats for everyone.

Please contact Jane Linker at 260-240-0354 if you have any questions, or need additional information, or if you would like to be part of Santa's elf crew.
